**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our choices for internet service providers are already far too limited. Do not reduce our options further by allowing this petition through. I support competitive providers because they are local small businesses that provide quality broadband and excellent customer service at reasonable pricing that fits my budget.
